

# Songtekst van de dans: Can't Let Go

**Piet Veerman**  
**You'd better move on**

Now you want me to give up ..... the girl I love  
And you tell me I'm not the man she's worth to come  
But a-who are you to tell her who to love  
Well that's up to her  
Guess and the Lord above  
Now you'd better move on

Oh I know you can buy a fancy cozy and diamond ring  
But I believe she's a happy with me without those things  
Still you beg me oooh to set her free  
My thing it'll never be  
So you'd better move on

I can't blame you for loving her  
But can't you understand  
That she's mine, my girl  
And I know that I never, never gonna let her go  
'Cause I love her so

I guess you'd better go now I'm getting mighty mad  
You want me to give up the only love I've ever had

.....  
More then I love her so  
I never gonna let her go  
So you'd better move on  
You'd better move on  
You'd better move on
